PURPOSE OF THIS PRIVACY POLICY. This Privacy Policy explains how BLZ | Bilingual Learning Zone handles information collected through BilingualLearningZone.com and related BLZ website contact, support, and resource-access communications.

INFORMATION WE MAY COLLECT. BLZ may collect information a visitor voluntarily provides, such as name, email address, message content, product or order reference, download or access question, and similar support details. The website or its service providers may also collect basic technical information such as IP address, browser type, device type, pages viewed, referring page, approximate location, cookies, analytics events, and site-performance information.

HOW WE USE INFORMATION. BLZ may use information to respond to contact and support requests, help with resource access, organize and improve website content, understand general website traffic, protect the site and BLZ materials from misuse, keep appropriate business and support records, and comply with legal obligations.

COOKIES AND ANALYTICS. BLZ may use cookies, similar technologies, or analytics tools to understand website traffic, page use, referral activity, and site performance. Visitors may control cookies through browser settings. Some website features may not work as expected if cookies are disabled.

THIRD-PARTY LINKS AND PLATFORMS. BilingualLearningZone.com may link to outside platforms, including Amazon, Teachers Pay Teachers, Pinterest, Google Drive, email services, or other authorized access or marketplace locations. Once a visitor leaves the BLZ website, the third party's privacy policy, terms, and data practices apply. BLZ does not control the privacy practices of those outside platforms.

PAYMENTS AND MARKETPLACE PURCHASES. BLZ may direct visitors to third-party platforms for purchases, downloads, or marketplace access. Payment, order, account, shipping, or platform-login information submitted on those outside platforms is handled by the platform receiving the information, not by BilingualLearningZone.com.

CHILDREN'S PRIVACY. BLZ publishes educational resources for educators, parents, families, and classroom support. The BLZ website is not intended to collect personal information directly from children under 13. Children should not submit personal information through BLZ forms or email. If a parent or guardian believes a child submitted personal information to BLZ, the parent or guardian may contact BLZ so the request can be reviewed and, where appropriate, the information removed.

HOW INFORMATION IS SHARED. BLZ does not sell or rent personal information. BLZ may share limited information with service providers that help operate the website, email, analytics, file delivery, security, or customer support; when required by law; or when reasonably necessary to protect BLZ rights, website integrity, users, products, or security.

DATA SECURITY. BLZ uses reasonable administrative and technical safeguards for information under its control. No website, email system, cloud service, or internet transmission can be guaranteed completely secure.

DATA RETENTION. BLZ keeps information only as long as reasonably needed for customer support, business records, legal compliance, website operation, or protection of BLZ intellectual property and resources. Support messages may be retained when needed to respond to customer issues or document prior communications.

USER CHOICES AND PRIVACY REQUESTS. Visitors may contact BLZ to request review, correction, or deletion of personal information they voluntarily provided, subject to applicable law and legitimate business, security, legal, or recordkeeping needs.

CALIFORNIA AND OTHER PRIVACY RIGHTS. Residents of California or other jurisdictions may have additional privacy rights under applicable law. BLZ will review privacy requests according to applicable law. BLZ does not sell personal information.

POLICY UPDATES. BLZ may update this Privacy Policy as the website, services, resources, or legal requirements change. The effective date identifies the current version.
